Jesus Storybook Bible

Today in church, our message will be about something called "stewardship." Stewardship is a word that means to take good care of the gifts that God has given us and to use them in

positive ways. The very first gift God gave to us was the earth! In the *Jesus Storybook Bible*, God creates Adam and Eve, who help God take care of the earth that he created. The story where this happens is called, "The beginning: a perfect home." Turn to page 18 to read it this morning!

What things did God create that Adam and Eve helped him care for?

Which things do you think God had to take care of by himself?

How did God feel about all the things he created?

How can you help God care for his creation, too?

You Can Give, Too!

We might think of stewardship and giving as something that only adults do, but there are many ways that kids can give also! Giving is a way to say "thank you" to God for all the blessings we have in our lives. In the space below, write or draw a picture of a way that you can show God your appreciation for what you have and that you want to share what you have with others.

Here are some ideas:

- Help your family around the house and in the yard.
- Care for the earth by recycling.
- Donate toys you don't play with anymore.
- Send part of your allowance to a missionary that our church supports.

I WILL THANK GOD FOR HIS GIFTS BY...
