Spring is a busy time for our church's

Children's Choir

Very important special rehearsals

Wednesday, March 18 we will spend most of our time in the sanctuary to practice our Palm Sunday processional. It is a simple and fun processional if the children are there to walk through it a couple of times. Our goal is to help them feel comfortable with this important role of children.

Wednesday, March 25 we will spend the entire rehearsal in the worship center to practice the same Palm Sunday seating and processional in that space.

We are singing and ringing!

Children are using hand chimes in rehearsal to accompany themselves on a simple call and response song. It's a great opportunity for all the children to experience ringing chimes.

We are checking off more Hymns for a Lifetime!

So far, we have worked on two hymns to add to our list: "Come, Christians Join to Sing" and "Hosanna, Loud Hosanna"

Recording Session **AND** Pin Ceremony

These final rehearsals together are significant for two reasons:

- 1) April 22 - We prepare a gift for the congregation and our families to share the joy of children's voices throughout the year by recording a video... with the help of Dylan and his techy skills! Many thanks to him, by the way!
- 2) April 29 - We recognize the children's service to our worship experiences with the presentation of pins for their choir lanyards, and we have a choir celebration...that means treats!

Parents are welcome to attend the ceremony in the choir room.

More details to come via email.

Don't forget:

Somewhere in our hard copy of this newsletter is a small error! Be the first one to find it and text, email, call or tell a choir leader to win a prize! We will use time stamps to help determine winners! Punctuation and spelling in song lyrics does not count...it's presented as it is in the music. Prizes will be awarded in September...unless we see you at church!
